Dear Examiner:

REPLY UNDER 37 C.F.R §1.116

In response to the Office Action of November 7, 2005, the Applicants (or collectively "the Applicant") request that the claims be amended to place the application in condition for allowance.

Summary of Telephone Interview

On Wednesday, January 4, 2006 an interview was conducted between Examiner Wen Tai Lin and Sid Weatherford, attorney for the Applicant. Definition of the term "descriptive" was discussed and a replacement term of "diagnostic" was suggested by the Examiner. However, the term "help" instead of "diagnostic" is used in the amendments because of the intent of the inventor and support in the specification.
